NIRMANA

Conscious Incubator and Residency

CoLiving - CoCreation - CoHealing

What is the formula for a perfect life?

If you have a creative mind and need guidance in the business world, or you have a business mind and need guidance in the creative world, this retreat is for you. Both mindsets are invaluable. We bring a synergy between the two, facilitated by experienced expert and mentors. You'll learn new skills, explore new creative outlets, solve complex problems, and strengthen your commitment to a fulfilling life

MINDFULL COMMUNITY

Immerse yourself in a supportive community of like-minded truth-seekers. Walk your chosen path, expand your mind, and become a part of an innovative community that supports you every step of the way.

NEW BUSINESS MODEL

Facilitated masterminds that balance creativity with strategy. See new perspectives through the eyes of other high-performers. Make decisions that align with your authentic nature, and implement them into your life.

TRANSFORMATION

"Your healing is their healing." Discover parts of yourself that have been longing for love and attention. Grow through vulnerability whilst being supported in a nurturing and empowering environment.
